

Pegasus Sports Announces 2009-10 High School Basketball Broadcast Schedule

The Pegasus Sports Network has announced its broadcast schedule for the 2009-10 high school basketball season, beginning with a pre-season show on 11/29/09 featuring the boys' and girls' head coaches from Oldham County, South Oldham, and North Oldham.

Pegasus will broadcast 38 regular season boys and girls basketball games, featuring the teams from Oldham County HS, South Oldham HS, and North Oldham HS. In addition, Pegasus will broadcast each and every game in the boys' and girls' 29th district and 8th region tournaments. Coverage of the boys' and girls' Sweet 16 will be announced after the region tournaments.

All games are broadcast live on the internet at www.pegasussportsky.com, beginning with a pregame show 30 minutes prior to the scheduled tip-off. Access to the broadcast is free to anyone with internet access. In addition, all broadcasts are archived and may be heard for up to six months after the broadcast.

This is a different website from what Pegasus has used in previous seasons.

Mike Montgomery will handle the play-by-play for Pegasus again this season, with Tom Hawkins and Roger Frantz providing color commentary. Montgomery is beginning his 31st year of broadcasting local high school basketball on the radio / cable TV / internet; Hawkins is a retired high school coach and referee. Frantz is a longtime youth sports coach in Oldham County.
